

# Not Your Typical Fun Shoot

## August 1st

This shoot is specifically geared toward shotguns that are not typically used for Sporting Clays. Bring your AR, AK, Bullpup, Tavor, Pistol Grip, Raptor, Bolt or Lever Action style shotgun and have a blast (pun intended)!

We will have two events. The entry fee will be \$25 for the 50 target event and \$40 for the 100 target event. \$5.00 from each entry fee will go back to a Lewis payout based on the style of shotgun you are shooting.

For safety reasons you may only load two rounds at a time. All firearms MUST be unloaded when you are not in the shooting stand. Semi and pump action shotguns will shoot report and true pair. Lever and bolt actions shotguns will shoot the same targets, but all report pairs.

You may use your favorite sporting clays shotgun such as an over/under or semi, but you will not be eligible for the Lewis purses. You may enter multiple times with different styles of shotguns.

We will have a Lewis purse for the 50 and 100 target events based on the categories below:
