The Shanksville-Stonycreek School Board approved starting a high school clay target team in 2025, the first in Somerset County.

This year at the SCTP State Championship in Eleysburg, the Shanksville Scatterguns won the bronze medal in the Intermediate Entry division.

Once again we are looking for team sponsors. As a sponsor, we will promote you or your business at all team functions, and you will help the team raise much needed funds to support the team. Your donation is tax deductible under the IRS code.

Our goal is to raise enough money so students can participate at no cost to them other than supplying their own shotgun. We want to make this opportunity available to any student that wishes to participate. Eventually we hope the school can acquire shotguns for students to use that do not have a shotgun of their own.

SCTP is a national program that organizes and promotes youth shotgun teams in nearly all 50 states. They offer scholarships and are a feeder program for other competitive shooting programs including collegiate teams and the Olympics. This is a great opportunity for Somerset County.

We have the following sponsorship levels available:

- \$ 100 Station Sponsor - your name on a lawn sign at a shooting station
- \$ 250 Banner Sponsor - your name in small print on the team banner
- \$ 500 Bronze Sponsor - your name in medium print on the team banner and one lawn sign
- \$1,000 Silver Sponsor - your name in large print on the team banner and two lawn signs
- \$2,500 Gold Sponsor - your name in extra-large print on the team banner and four lawn signs
- \$5,000 Platinum Sponsor - your own banner and ten lawn signs

We are having a "Fun" Raiser sporting clays shoot on October 11th at Stonycreek Shooting Center. If you cannot become a sponsor, you can help by participating in the shoot or make a donation for the basket raffle that will be held there that day.

Thank you for your consideration, and if you decide to become a sponsor, please send a check made payable to the Shanksville-Stonycreek School District (SSSD) to:
